STATEMENT

Pursuant to notice, a hearing was held in Gary, Indiana, on April 13, 1961.

THE ISSUE

The grievance reads:

'The aggrieved was placed on layoff status on April 17th and was denied his seniority rights under the provision of the Collective Bargaining Agreement.'

The aggrieved be allowed to exercise his seniority in accordance with the provision of the Collective Bargaining Agreement.'

DISCUSSION AND DECISION

Because the Award in Arbitration Award No. 416 represents a finding that the Grievant was physically able to perform the Wireman--"A" job at the time he was layed off on April 17, 1959, no useful purpose would be served by a determination as to whether he then should have been offered single sequence jobs.

AWARD

As per the above findings.
