

WE APPRECIATE YOUR SUPPORT!

United Steelworkers Local 1010 extends a great big Thank You, and Salutes all the Places of Business that exhibited unrelenting support for all our members during the current long and sometimes difficult Contract Negotiations we just endured. If we inadvertently missed anyone on this list please contact the editor (editor@uswa1010.org) so those businesses can be added to our next edition of the Steelworker and acknowledged as one of our many outstanding supporters.
