

# Thanks for Being Part of the VSP Family!

By enrolling in VSP®, it's clear that eye health is important to you. That's great because we love eyes, and we want to help you get the most from your vision coverage.

**Here's a quick overview of the most important info and tips you'll need to know to get started.**

### View your benefits.

You get the most out of your benefits when you log in. Go to **vsp.com** and click **Create an Account** to get started. Once you've set up your VSP member account, you can easily view your benefits, including any copays and coverage for things like glasses, contact lenses, and LASIK.

### Find an in-network doctor.

It's easy to find an in-network doctor near you by visiting **vsp.com** and selecting **Find a Doctor**.

With private practice doctors and Visionworks® retail locations to choose from nationwide, getting the most out of your benefits is easy at a VSP Premier Edge™ location.

### Schedule your eye exam.

An annual eye exam is an important window into your overall health, which makes it a must-have in your wellness routine. Even if you have 20/20 vision, it's essential to see your eye doctor every year to check your eye health.

### Save on eyewear and so much more.

As a member, you have access to Exclusive Member Extras, totaling more than \$3,000 in savings. You'll also save on contacts, glasses, and sunglasses when you use your benefits on **eyeconic.com**®—the VSP online eyewear store.

**Once your benefit is effective, visit vsp.com today to access your personalized benefits!**

That's it for now. But if you have any questions, give us a call at **800.877.7195 (TTY: 711)** or visit **vsp.com**. Thanks for choosing VSP!

To learn about your privacy rights and how your protected health information may be used, see the VSP Notice of Privacy Practices on **vsp.com**. Visionworks and Eyeconic are VSP-affiliated companies.
